The council met in adjourned session, a quorum not being present at Tuesday night's regular meeting. After a roll of the council was called, President Zimman and Councilmen Nicholson and O'Brien started to leave, thus breaking the cuorum. They found every door blocked by policemen, and were forced to remain in the room.

Threats of personal violence were made and a clash at fisticuffs between the mayor and O'Brien was on the point of being consummated when Councilman Nicholson, another minority member, interfered. There Is Not the Slightest Neces sity For Leaving Salt Lake City To Look For Proof.

The experience given below by this well known citizen of Salt Lake City is asily proven. The proof he offers for its conviction can safely be left with he reader. It is a difficult matter to the reader. It is a difficult matter to describe an aching back or any of the discaused by disordered kidneys, How to cure the trouble is of much more importance, and the most exacting resident of Salt Lake City cannot ask for any better authority on this point than that given by Mrs. Annie C. Poulsen of 17642 west South Temple street, says: "The direct action of Doan's Kidney Pills upon the functions of the kidneys." Pilis upon the functions of the kidneys is so manifest and the results follow so quickly after a course of the treatment that the user cannot but come to this conclusion. The remedy acts as represented. I am too far along in years to ever expect a permanent curfrom any medicine, but I can say with all honesty that Doan's Kidney Pills procured at the F. J. MOTHER OF THE FAMILY.

The anxious mother of the family itentimes carries the whole burden of responsibility so far as the home med-cation of common ailments of the girls r boys are concerned. The cost of the doctor's visits are very often much too great. At such times the mother is invited to write to Dr. R. V. Pierce, of Buffalo, N. Y., for medical advice, which is given free.
